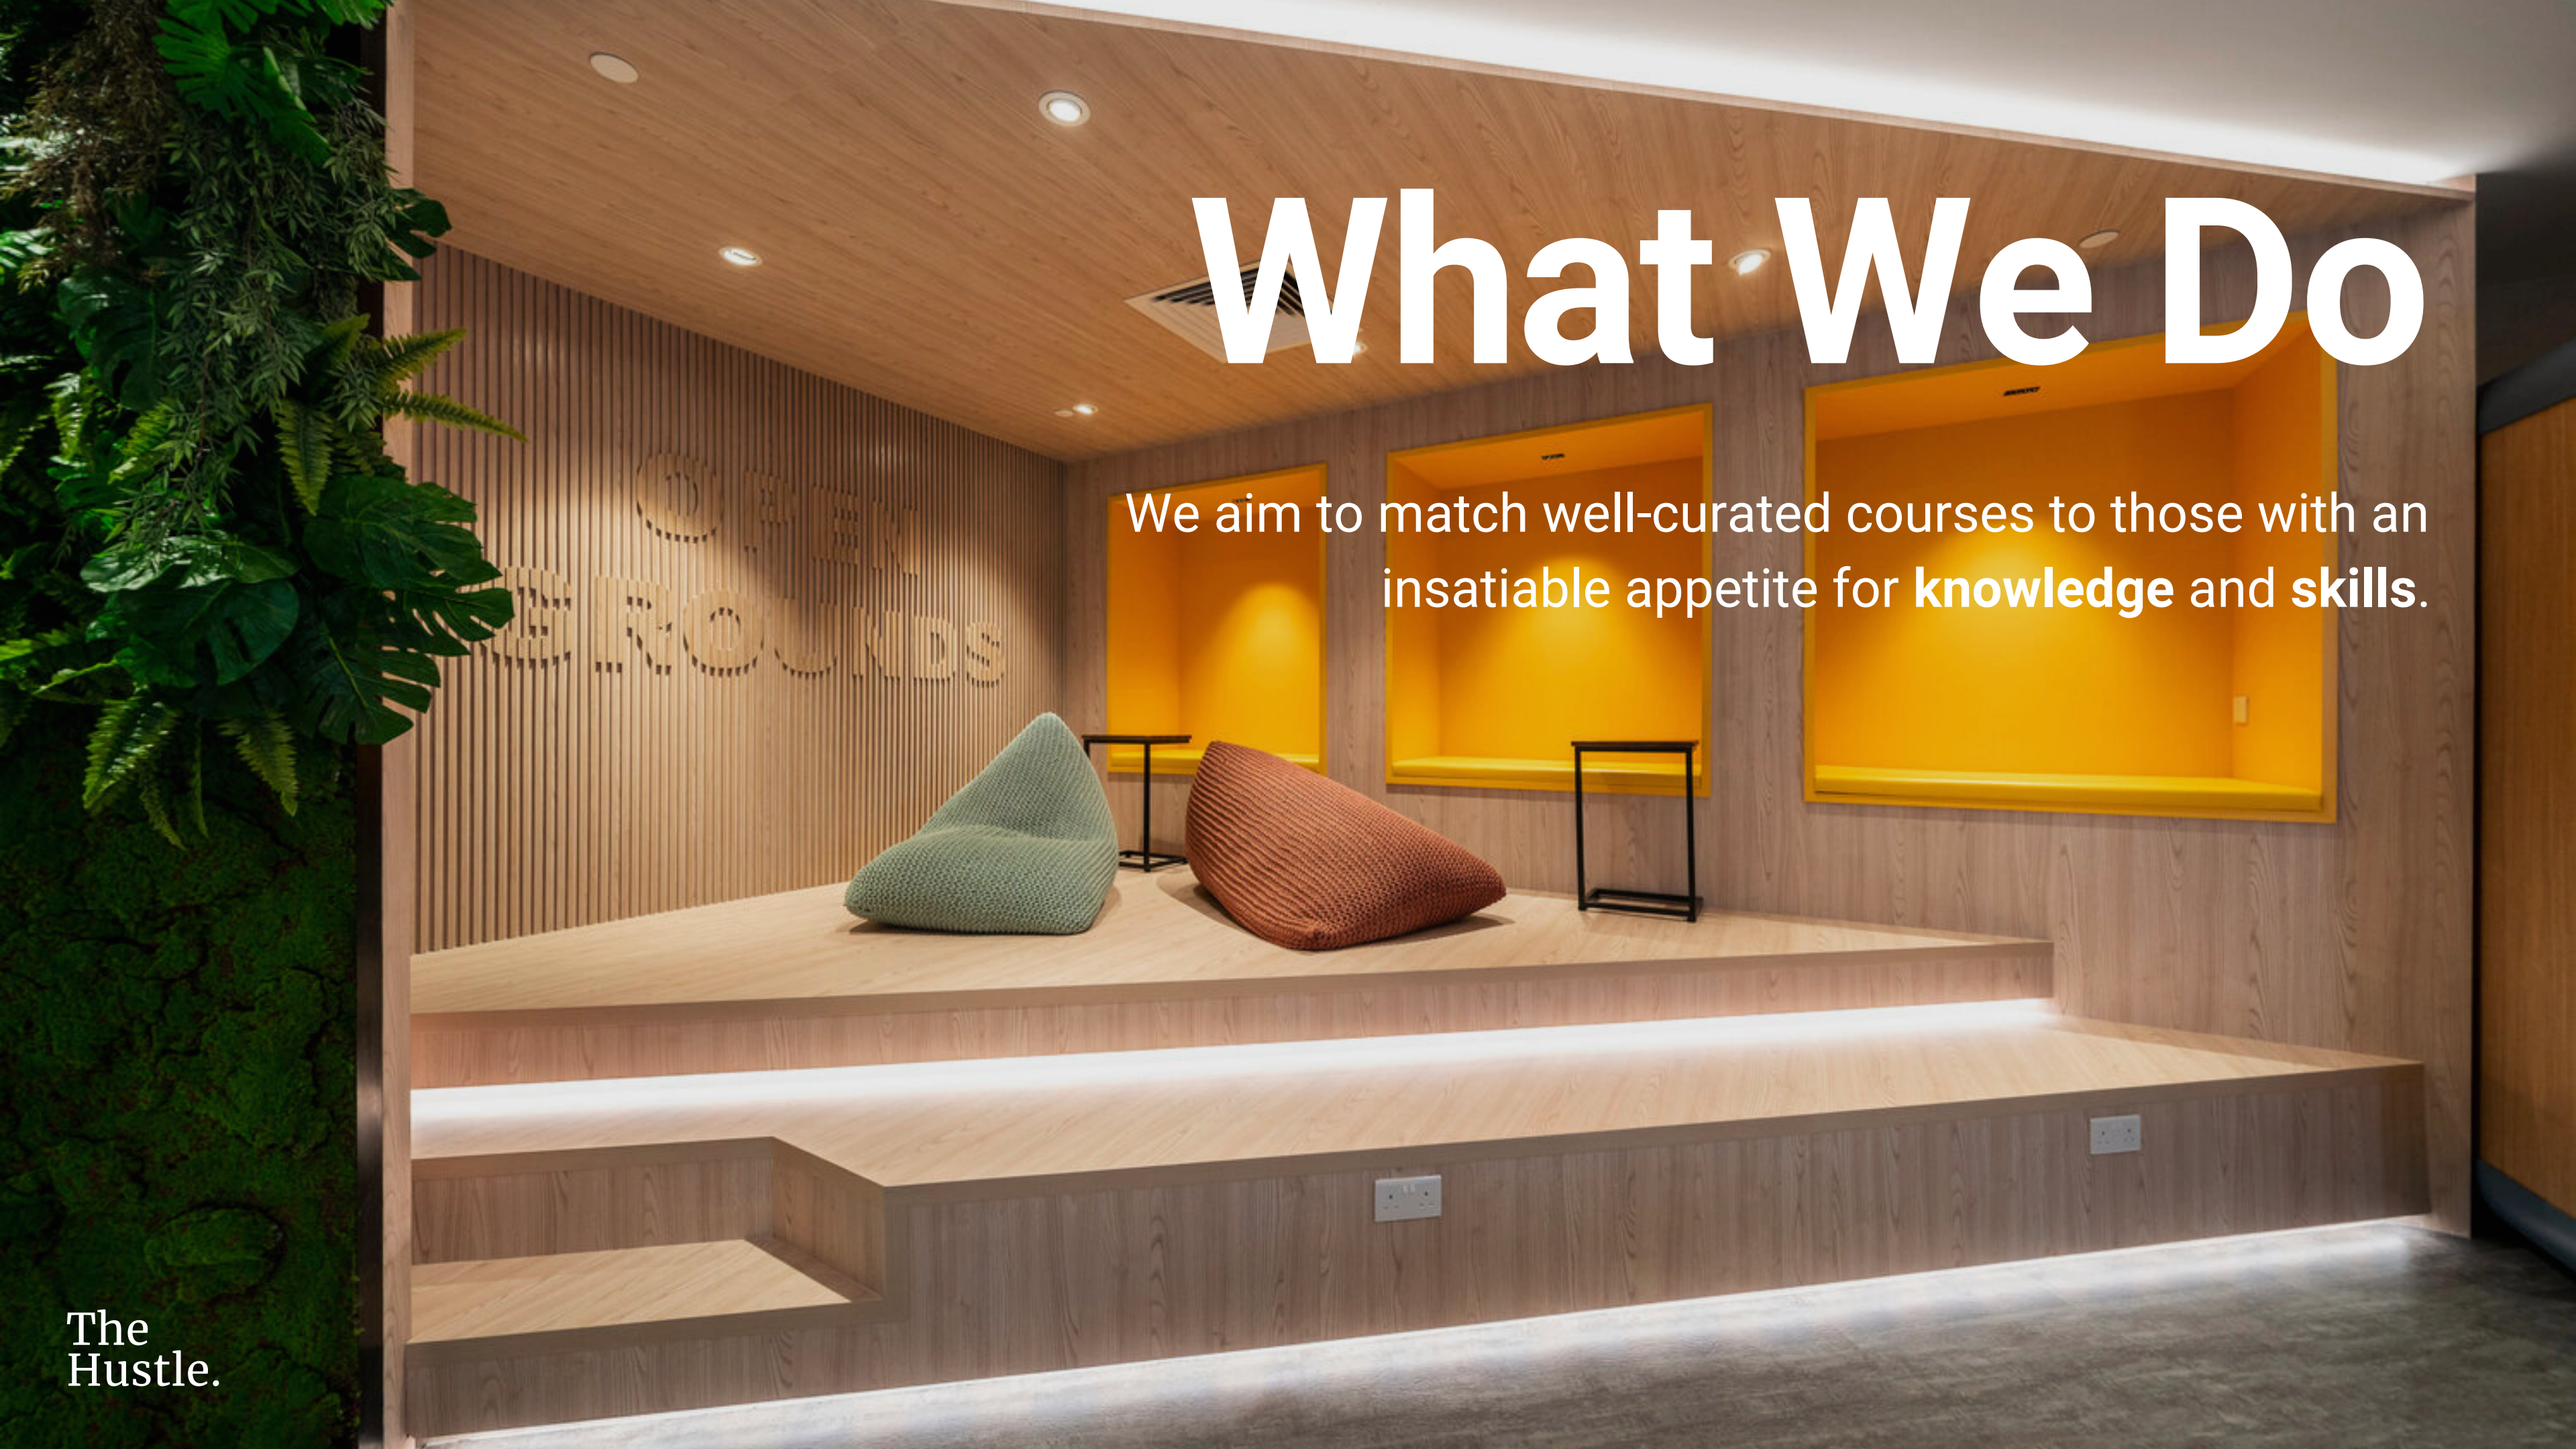
The Hustle.



What We Do

We aim to match well-curated courses to those with an insatiable appetite for **knowledge** and **skills**.

The Hustle.

Our Story

The Hustle was founded in 2020 in Singapore as a **one-stop platform** that engages the modern workforce, hobbyists, and the curious with **SkillsFuture Workshops** while listing **freelance skills & talents**.

2108

Students

Found new skills, careers, and side-hustles through our workshops conducted in 2021.

116

Clients

Entrusted us with the training and development of their employees.

48
